FROM CHANCELLOR'S DESK

Dear Students,

Education is not just preparation for life—it is life unfolding with purpose. Let integrity guide your ambition and service give meaning to success. Build with courage, lead with compassion, and leave a legacy that uplifts society. The future responds to those who act with clarity and conscience.

Sardar Taranjit Singh
Chancellor, JIS UNIVERSITY

FROM VICE- CHANCELLOR'S DESK

Let curiosity be your compass and discipline your daily practice.

Question deeply, learn rigorously, and respect evidence over assumption. True knowledge expands when the mind is humble and persistent. May your academic journey sharpen both intellect and judgment.

Dr. Partha Sarkar
Vice Chancellor

ABOUT JIS UNIVERSITY

Established with a visionary commitment to transforming higher education, JIS University has distinguished itself as a premier multidisciplinary institution in Kolkata, West Bengal. Recognized in the **National Institutional Ranking Framework (NIRF)** — including a notable rank of **97 in the Pharmacy category in 2025** — the university attracts ambitious learners from across India seeking quality education and holistic development.

Since 2017, JIS University has been a proud member of the **Association of Indian Universities (AIU)** and holds multiple statutory approvals and accreditations from the **University Grants Commission (UGC)**, **All India Council for Technical Education (AICTE)**, **National Medical Commission (NMC)**, **Bar Council of India (BCI)**, **Pharmacy Council of India (PCI)** and **National Council for Teacher Education (NCTE)**, reflecting its steadfast commitment to academic rigour and regulatory excellence.

What sets JIS University apart is its truly **multidisciplinary academic ecosystem**. The university offers a broad array of programs spanning Medical, Engineering, Management, Law, Pharmacy, Biotechnology, Agriculture and Hospitality & Hotel Administration, alongside robust science and humanities disciplines — empowering students to pursue diverse career paths and research interests. Supported by modern laboratories, state-of-the-art infrastructure, an active research culture and dedicated Centers of Excellence, JIS University provides an enriching learning environment that fosters intellectual growth, innovation and practical skill development.

The University's emphasis extends far beyond the classroom. Through sustained **industry-academia collaborations**, **global partnerships** and **targeted outreach initiatives**, students gain valuable real-world exposure that complements their academic learning. The **Training & Placement Cell** plays a pivotal role in this ecosystem by facilitating internships, live project experiences, industry mentoring and career opportunities with leading organizations across India and abroad, while also delivering comprehensive professional development support.
